Physician Information:

I have reviewed a copy of the Speech Language Pathologist's completed communication evaluation for the above patient, in a face to face encounter, and agree with the recommendation for the listed equipment. I certify that this patient has a medical condition resulting in a severe expressive speech disability and that speaking needs cannot be met using natural communication methods. I also certify that the patient's communication will benefit from the medical device and that other forms of treatment have been ruled out. My prescription is based on the evaluation that I have reviewed and concur with, made by the Speech Language Pathologist, of the patient's physical, language and communication abilities and needs. I agree that the device is medically necessary for the patient's health.
