

Directions for Downloading Your App

To Download your Communication App

IMPORTANT: You must register your new iPad® with Apple and obtain an Apple ID and Password. After you have registered your iPad® with Apple, from your iPad®, go to Safari and log onto www.acciinc.com.

Click on " Apps for the iPad®" on ACCI's home page. (Have your method of payment available: either redeem iTunes cards or use a credit card.)

1. Click on the name of the Communication App below the picture.
2. When the webpage opens, go to the product description and click on the "Download on the App Store" box. (You may have to set up your iTunes account by using your Apple ID and Password.)
3. The iTunes Preview Window will open and a "Launch Application" dialog box will appear over it. At the bottom right of the box, click "OK".
4. The Communication App will appear. On the left hand column of this webpage, click the "Buy" button with the price shown. Your App will automatically be loaded.
